We find the staff to be very friendly, flexible and helpful, bedrooms are comfy and we always enjoy the meals provided for us. We always leave refreshed and reserve a date for our next retreat."

Pallottine Renewal Center was established originally as a convent for the Pallottine Missionary Sisters and then developed into a retreat center. As a living legacy of the Sisters – their mission of hospitality continues. The Center is a sacred space for faith and mission driven organizations for spiritual gatherings, retreats, leadership and educational meetings.

Find peace in our beautiful chapel in-the-round specifically designed so that all worshipers are within 35 feet of the altar and surrounded by antique hand blown stained glass.

When viewed aerially the building is in the shape of an angel. The facility has several sized meeting rooms, board rooms and a solarium designed to meet diversified activities of mind, body and spirit, with the dignity and reverence of a religious background.

Enjoy a stroll through walking trails on our lush 83 acre natural landscape. Stop and pray at our meditation garden or walk through our Labyrinth.

Our excellent hospitality provides all your needs so your group will have the opportunity to *Refresh their Spirit, Reflect with God, and Renew their Faith.*
